Experience Quality Care from a Caring Physician

Dr. Annavarapu
A Board Certified Internal Medicine Physician

Background

Dr. Annavarapu completed her residency in Internal Medicine from DMC Sinai-Grace Hospital of Wayne State University School of Medicine in 1999. Since then she has been in private practice taking care of in-patients at hospitals and out-patients at her clinic. She is affiliated with DMC's Huron Valley-Sinai Hospital and St.John's Providence Hospital and Providence Park Hospitals.

She is a board certified physician by the American Board of Internal Medicine.

Her philosophy is to treat the patient on the whole, making a diagnosis based on a thorough check-up.

Services

Huron Primary Care Center, PC treats adults (ages 18 and above) for general medical problems such as Diabetes, Hypertension, Heart disease, Neurological problems, Gastro Intestinal disease, Asthma, Thyroid problems, Women's health, Osteoporosis, Arthritis, ENT etc.

Dr.Annavarapu is a very caring physician and has several years of experience in diagnosis and treatment of general medical problems.

Dr.Annavarapu admits patients in DMC's Huron Valley Hospital and Providence Hospital.

She also performs internal medicine consults at these hospitals as appropriate.

At her clinic, she performs physical exams, routine health checks, immunizations, EKG, PFT, Pap Smear etc.

Operations

Huron Primary Care Center, PC is located in the medical office building right behind the new Providence Park Hospital in Novi. One can reach the office either from Grand River Ave or Beck Road via the outer Ring road around the Hospital.
